Assignment

WHEREAS, ENTAC, INC., a Florida corporation, having a place of business at P. O. Box 550, Parsonsfield, Maine 04047 ("Assignor"), is the owner of the entire right, title, and interest in and to United States Patent Application Serial No. 10/660,259 and the inventions and improvements therein disclosed; and

WHEREAS, WILLIAM TIS, an individual, residing at 100 Edgecrest Drive, Verona, Pennsylvania 15147 ("Assignee"), is desirous of acquiring the entire right, title, and interest in and to said United States Patent Application Serial No. 10/660,259 (the "United States Patent Application") and the inventions and improvements therein disclosed;

NOW, THEREFORE, in consideration of One (\$1.00) Dollar and other good and valuable consideration paid or to be paid to Assignor by said Assignee, receipt whereof Assignor hereby acknowledges, Assignor does hereby assign, sell, transfer, and set over unto said Assignee the entire right, title, and interest in and to said United States Patent Application and the inventions and improvements therein disclosed for the United States and all foreign countries and any Patent which may issue therefor in the United States and all foreign countries and all divisions, reissues, continuations, renewals, and/or extensions thereof including all priority rights under the International Convention associated therewith for each country and the Union, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Patents and any and all divisions, reissues, continuations, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue said Patents and any and all divisions, reissues, continuations, renewals, and/or extensions in accordance herewith, and any foreign counterparts of The Commissioner of Patents and Trademarks are requested to issue said Patents for legal equivalents in foreign countries in accordance herewith.

Assignor covenants, to the best of its knowledge, that it is the lawful owner of said United States Patent Application and the inventions and improvements therein disclosed, that the same are unencumbered, and that Assignor has the full right to make this assignment.

Assignor further covenants that Assignee will, upon its reasonable request, be provided promptly with all pertinent facts and documents relating to said United States Patent Application, said Patents and the inventions and improvements therein disclosed as may be known and reasonably accessible to Assignor and will promptly execute and deliver to Assignee or his legal representative any and all papers, instruments or affidavits reasonably required to apply for, obtain, maintain, issue and enforce said United States Patent Application, said Patents and the inventions and improvements therein disclosed which may be necessary or desirable to carry out the purposes thereof.

This assignment shall be binding upon the successors and assigns of said Assignor and shall inure to the benefit of the heirs, successors and assigns of said Assignee.

IN WITNESS WHEREOF, Assignor has caused this instrument to be executed by its duly authorized officer with an effective date as of September 11, 2003.
